## The Armour Of God - Belt Of Truth

### Story Time

Watch our story video from this week's smAll Nations online episode at:

### Bible Time

As Christians, we must be able to listen carefully and tell the truth, otherwise people won't know if we can be trusted. Samuel was just an ordinary little boy, but God chose to speak with him about very serious matters. Even though it was very difficult, Samuel listened carefully and then told the truth. Samuel learnt to live his life for God from an early age but first he had to learn to recognise God's voice. Did you know that you can also hear God's voice? It might not be a loud voice, but God can talk to you in lots of different ways. Maybe he will talk to you through what you hear in smAll Nations, maybe through your parents, a bible verse or a worship song. The most important thing is that like Samuel we say, "speak Lord, I am listening". When we listen to God, we hear truth and then we can tell others.

### Song Of The Week

God Suit On by Pete James

### Memory Verse

"It has given me great joy to find some of your children walking in the truth, just as the Father commanded."

2 John 1:4

### Prayer For The Week

Dear God,

Help us to learn to recognise your voice and to listen to what you have to say. Help us to understand the truth about Jesus and share it with others.

Amen

### Chat Time

Chat about the story of Samuel. Use these questions to help you get started:

Can you remember the name of the priest who Samuel was staying with?

How many times did God call Samuel before he realised who was calling him?

Have you ever heard God talk to you?

In what ways can God talk to us?

What is the truth about Jesus that we need to share with others?

### Ideas For The Week

Make your own belt of truth to remind yourself of the armour of God.

Read Ephesians 6:10-17 as that is where Paul talks about the armour of God!

### Show Us

Send us pictures of you and your family watching smAll Nations, dancing, joining in with the game and making the craft. Ask a grown-up to email them to:
