

The Armour Of God - Helmet Of Salvation

Story Time

Watch the story video from this week's smAll Nations.

Bible Time

Although this story is about God using the prophet Elisha to heal Naaman we want to focus on the servant girl. She had been captured by the Syrian army from Israel. I can imagine that life for her was pretty difficult and she missed her family. Why did she help Naaman then? Why did she tell him how he could be made well? Well she had something important to share, something that she knew would help him. God was using her even though she was far from home. You also have some important news to share that can help others. You have the exciting and important news about Jesus. He died for all of us and then rose from the dead. Because of Jesus we can all have a relationship with God. Salvation means being saved and the helmet of salvation reminds us what Jesus has done for us and we need to share it with others just like the servant girl told Naaman how he could get help.

Prayer For The Week

Thank you God for Jesus and what he did for us. Thank you that he died for us all so that our sins might be forgiven, and we can be close to you. Please help us to share this news of salvation with other people who need to know how they have been saved. Amen

Chat Time

Chat about the story. Use these questions to help you get started:

What was the name of the prophet in the story?

Who told Naaman about the prophet of God?

What was wrong with Naaman?

How many times did Naaman have to wash in the Jordan River?

Who do you know that needs to hear about the good news of Jesus?

Ideas For The Week

How are you getting on with your armour? Make a helmet this week! Create a poster sharing the good news of Jesus and stick it on your window to share with your neighbours. Why not call someone and tell them what we have been learning about in smAll Nations?

Don't forget to add the secret symbol to the Armour Of God map.
