Bible Time

Imagine becoming king when you were eight? Do you think that is a job you could do? It probably sounds like great fun, but I imagine it had lots of challenges for King Josiah from our story. One day Josiah was given a book full of God's laws (basically the first few books of the Old Testament) and he realised what the country he was in charge of needed to change. God's word (the Bible) is so important for us, it's actually him talking to us - we can use the word of God to help us in any situation. But we have to make sure that we read it and learning our weekly memory verse is one way that we can get God's word into our hearts and minds. God's word can also be like a sword. In battle a sword is used to defeat the enemy and when we find the devil trying to tell us lies, we can use God's word to help us defeat him. When you feel alone remember that God said in Deuteronomy 31:6 that he will never leave us. When you have a big giant to face remember that Proverbs tells us to "Trust in God and he will show us the right way." Read God's word and use it as a sword!

Chat Time

Chat about the story. Use these questions to help you get started:

What was the name of the very young king in the story? How old was he when he became king?

What did he find in the temple?

How can reading the Bible help us? 

Ask members of your family to tell you their favourite bible verse and what it tells them about God.

Ideas For The Week

Write some bible verses out on a piece of paper and stick them around the house. Share your favourite bible verse with a friend.

Don't forget to make a sword of the spirit.

Prayer For The Week

Dear God, Thank you for giving us the Bible which is your word to us. Thank you that it helps us in every situation and that we can use it in every area of our life. Help us to share your word with others. Amen

Show Us

Send us pictures of you and your family watching smAll Nations, dancing, joining in with the game and making the craft. Ask a grown-up to email them to: smallnations@allnationselim.org
