### Memory Verse

Your desire to tell the good news about peace should be like shoes on your feet.

Ephesians 6:15

### Chat Time

Chat about the story. Use these questions to help you get started:

What were the name of Miriam's two brothers?

Where did the story take place?

What was an Egyptian king called?

How do you think Miriam felt when the Egyptian princess arrived?

What brave thing did Miriam do?

Who can you tell about the good news of Jesus?

### Bible Time

In these Old Testament stories it's amazing to see God at work. Moses' life was saved by an Egyptian princess and his mother was able to look after him while he was still small. Moses would go on to be the person who lead the Israelites out of slavery in Egypt - do you remember that story from our Heroes of Faith series? Miriam had an important part to play, she had to be ready to step out and talk to the Egyptian princess. Shoes were very important to the Roman soldiers, it showed they were ready to move. Now I like having bare feet but when I am leaving the house, I will put my shoes on - it shows I am ready to leave. With shoes on my feet I can pretty much go anywhere that I couldn't go in bare feet. So, when it talks about shoes in Ephesians, it tells us to fit our feet with readiness, be ready to announce the Good News. We need to be ready to tell other people about the good news of Jesus. That he loves us and died for us to take the punishment for our sins and most importantly that he rose again and made sure we could be friends of God. That is some pretty Good News and we need to be ready to share it!

### Prayer For The Week

Thank you Lord that you give us your armour. Help us to put it on every day and to remember each part and how it can help us. Thank you that you have given us such great news to share. Help us to be ready to share with anyone we meet. Amen

### Ideas For The Week

How many different pairs of shoes do you have in your house? Think about someone you can tell the good news of Jesus to and find a way to tell them. Don't forget to make some shoes and then put all of your armour together! Take a picture and send it to us.
