### Bible Time

When Jesus died his disciples were really sad. Their best friend, the great healer and teacher was dead what would they do next? Where had it all gone wrong? We know the ending of the story; we know that it isn't the end. Next week we will be celebrating Jesus's return and the fact that he came alive again. But why did he have to die in the first place? Our question today is - Is Jesus our rescuer? What do we need rescuing from?

Everyone sins, we all do things that are wrong and that separates us from God. You see God is perfect! All sins have consequences and the consequence for sin is being separated from God and that's not fun! Jesus came to die on a cross to pay for us and to take the punishment. Only Jesus could pay the price for us because he's perfect. So, he came to save us from our sins to make us right with God, because of that we get to be in a relationship with God. We are not separated from him. He helps us live; he has a plan for us and one day we will be in heaven with him. All we have to do is believe that Jesus did this for us and accept this wonderful rescue gift.
