Week 4: Knowing

Story Time

Watch the story video from this week's smAll Nations.

Memory Verse

Nothing is as wonderful as knowing Christ Jesus, my Lord.

Philippians 3:8

Chat Time

Chat about the story. Use these questions to help you get started:

What were the disciples doing?

Where was Jesus?

What did Jesus say to Peter?

What do you know about Jesus that you could tell someone else?

Bible Time

Jesus disciples were in a very good position, they knew Jesus personally, they had witnessed his miracles and been with him through many things.

Jesus made sure the disciples knew that he was alive by visiting them and talking to them after he had risen again. On that morning on the beach, he reminded them that he was a miracle worker by making sure that they caught enough fish. He also showed Peter he was forgiven and that he had a special job to do.

Because they knew that Jesus really had come back to life, they were able to share the Good News of God's forgiveness to so many people.

As Christians it is important that we know what Jesus has done for us and that we know how much we are loved. In today's memory verse Paul says that it is wonderful to know what Jesus has done for us. When we realise that he died for us so our sins could be forgiven and we could be with God in heaven, we should tell others this wonderful news.

Who will you tell today?
