## Week 5: Trusting

### Story Time

Watch the story video from this week's smAll Nations.

### Bible Time

Have you ever been in a storm?  
Have you ever been scared by a storm?  
Have you ever been on a boat in a storm?  
I imagine that would be scary! In our story this week, the storm was fierce, the waves were crashing, and everybody was really scared.

We can sometimes find things really difficult in our life, there might be things going wrong at school or at home. You might be having difficulties with your friends or you might just be feeling like you're all alone in the middle of the storm. Just like Paul we have somebody else with us in the storm and God told Paul that everything would be OK and that the people on the boat would be saved and they were.

Whatever the storm or situation that you're in God cares about you and God loves you. God will not necessarily stop the difficult times from happening, but God will help you and encourage you.

The best thing is that God is right there with you and you can trust him because he does exactly what he says. He always looks after us, so we should keep trusting in God whatever the situation.

### Memory Verse

Do not be anxious about anything, but in every situation, present your requests to God.

Philippians 4:6

### Chat Time

Chat about the story. Use these questions to help you get started:

Where was Paul in the story?

What did Paul tell the sailors to do?

Who told Paul the people would be saved?

When do you need to trust God like Paul?

### Prayer For The Week

Father God, thank you that we can trust you.

You have promised to never leave us and you tell us to not be anxious but trust you. Please help us to do that.

Amen
