## Week 6: Faith

### Story Time

Watch the story video from this week's smAll Nations.

### Bible Time

Our story this week is from the Old Testament and Paul, who wrote Philippians would have know about it. In this story the Israelites have escaped from Egypt and are on a journey through the desert. I don't know if you have ever been to the desert but there isn't much in the way of food or water. How would the Israelites survive? They had no option but to trust God and believe that he would provide for them and he did. The wonderful thing is that we have the same God who provided for the Israelites.

In Philippians Paul reminds us that God will supply all that we need. Maybe you need help at school? Your parents are worried about money, you are struggling with feeling that you are not good enough? Maybe you are moving to a new house or class? Maybe you are having difficulties with friends?

Whatever the situation God will give you what you need: he will provide someone to talk to or help, remind you of a promise from the bible and give you the courage you need to face the situation. We only need to trust him and believe that he will help us - that is called faith.

### Memory Verse

My God will supply all your needs according to the riches of his glory in Christ Jesus.

Philippians 4:10

How do you need God's help today?
